**Accelerating Learning (Literacy & Mathematics)**

**Preparing Students for Future Success**

# Future Forward Ohio Priorities

# Accelerating Learning

- Providing more, and more effective, opportunities to learn
- Math & literacy focus

# What Ohio's Data Shows

- Ohio's students were greatly impacted by the pandemic
  - Urgent need to focus on literacy and accelerating learning, including numeracy
    - Only 60% proficient on third grade reading test
- Ohio School Report Cards show signs of recovery
